The event will kick off the Friends of Lilydale Park's 10th anniversary year!

Mark your calendars! Each month on the 4th Saturday,

Friends of Lilydale Park will host a free, family-friendly event in the park.

Please note event times will vary.

The year's commemorative activities are dedicated to 4 dear friends of Lilydale Park, each of whom we have lost during these past 10 years:

* Tom Kelley * Cliff Timm * Shan Knox * Kathy Kinzig

Each of them loved and enjoyed Lilydale Park very much & helped to preserve it for future generations. We honor their contributions and memory.
